Notes to the Financial Statements
For the year ended 30 June 2019

Note 1: Statement of Significant Accounting Policies

(A) Basis of preparation

Special purpose financial report

In the directors opinion, the company is not a reporting entity because there are no users dependent on general purpose financial reports.

This is a special purpose financial report that has been prepared for the sole purpose of complying with the Corporations Act 2001 requirements to prepare and distribute a financial report to the members and must not be used for any other purpose.

The financial report has been prepared in accordance with the recognition and measurement principles of all applicable Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. It contains the disclosures that are mandatory under the Accounting Standards and those considered necessary by the directors to meet the needs of the members. Repower Seven Pty Ltd is a for-profit entity for the purpose of preparing the financial statements.

The accounting policies have been consistently applied, unless otherwise stated. The financial report is presented in Australian dollars and all values are rounded to the nearest dollar unless otherwise stated.

Reporting Basis and Conventions

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values or current valuations of non-current assets.

(B) Accounting policies

Income tax

The income tax expense or revenue for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The Directors periodically evaluate positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. Directors establish provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Cash

Cash includes cash on hand, deposits held at call with banks or financial institutions, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short term borrowings in current liabilities on the balance sheet.

Repower Seven Pty Ltd
ABN 77 624 365 564
Notes to the Financial Statements
For the year ended 30 June 2019

Property, plant and equipment

Property, plant and equipment is carried at cost less any accumulated depreciation and impairment losses where applicable. Historical cost includes expenditure directly attributable to the acquisition of the items.

a) Plant and equipment

Plant and equipment is measured on the cost basis less depreciation and impairment losses where applicable.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

b) Depreciation

The depreciable amount of all fixed assets is depreciated using the diminishing value basis over their useful lives to Repower Seven Pty Ltd commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Class of Asset	Depreciation Rate
Plant and equipment	15 - 30 %

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains or losses are included in profit or loss. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Provisions

Provisions are recognised when Repower Seven Pty Ltd has a legal or constructive obligation, as a result of past events, for which it is probable that the outflow of economic benefit will result and that the outflow can be measured reliably.

Income

Revenue is measured at the fair value of the consideration received or receivable. Revenue from service delivery is recognised in the accounting period in which the services are rendered. Revenue is recognised based on the actual service provided to the end of the reporting period.

Interest income is recognised on a proportional basis taking in to account the interest rates applicable to the financial assets.

Repower Seven Pty Ltd
ABN 77 624 365 564
Notes to the Financial Statements
For the year ended 30 June 2019

Goods and Services Tax (GST)

Income, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows
