

REPOWER ILLAWARRA LAUNCH

BRINGING COMMUNITY ENERGY TO THE ILLAWARRA.

Be part of the renewable energy transition in our local area!

Using our community energy model, together we can assist local businesses to take advantage of reduced energy costs and renewable energy!

Learn how Repower Community Energy works, how to be involved and how it can help businesses save on increasing energy costs.

These are the benefits for businesses and communities who use community energy:

- ✓ reduced bills
- ✓ reduced emissions
- ✓ financial returns for citizen investors
- ✓ local jobs creation and
- ✓ control of our energy supply.

Thursday August 24th 2017

6 for a 6:30pm start finished by 7:30, followed by an informal drink or bite to eat downstairs.

Wollongong Tennis Club Function Room

Hosted by:
